

stricturoplasty rather than resection for Crohn's disease.

In summary a short textbook with predominantly brief contributions made worthwhile by the highlights outlined.

ROBERT ALLAN

BSG Research Award 1987

A three page summary of personal research work is invited by The British Society of Gastroenterology for the 1987 Research Medal. A bibliography may also be submitted if desired. The Award consists of a medal and £100 prize. The recipient of the Award will be aged 40 years or less when delivering the lecture during the Autumn Meeting of the Society in September 1987. All (or a substantial part) of the work must have been performed in the UK or Eire. Applications (six copies) should be made to: The Honorary Secretary, BSG, 3, St. Andrew's Place, London, NW1 4LB, by 1 May 1987.

Correction

We regret that the Figure in the paper entitled 'Collagenous colitis . . .' by Palmer *et al* in the May issue, p. 578 was incorrect; and the correct version is printed below.
