

Gut

The Journal of the British Society of Gastroenterology

Contents Vol. 17, No. 7, July 1976

Factor VII levels as a guide to prognosis in fulminant hepatic failure B. G. GAZZARD, J. M. HENDERSON, AND ROGER WILLIAMS *page 489*

Focal nodular hyperplasia of the liver: a rational approach to treatment A. P. MOWAT, P. GUTJAHR, B. PORTMANN, J. L. DAWSON, AND ROGER WILLIAMS *page 492*

Antibiotics in biliary disease: the relative importance of antibiotic concentrations in the bile and serum M. R. B. KEIGHLEY, R. B. DRYSDALE, A. H. QUORAISHI, D. W. BURDON, AND J. ALEXANDER-WILLIAMS *page 495*

Abnormalities of sodium excretion and other disorders of renal function in fulminant hepatic failure S. P. WILKINSON, V. A. ARROYO, HELEN MOODIE, J. M. BLENDIS, AND ROGER WILLIAMS *page 501*

Presence or absence of inhibitors of crystal growth in bile. 1. Effect of bile on the formation of calcium phosphate, a constituent of gallstones D. JUNE SUTOR AND JOSEPHINE M. PERCIVAL *page 506*

Intestinal perfusion studies in tropical sprue 1. Amino acid and dipeptide absorption M. D. HELLIER, A. N. RADHAKRISHNAN, V. GANAPATHY, V. I. MATHAN, AND S. J. BAKER *page 511*

Permeability of the small intestine after intra-arterial injection of histamine-type mediators and irradiation J. G. C. KINGHAM AND C. A. LOEHRY *page 517*

Influence of staphylococcal enterotoxin on water and electrolyte transport in the small intestine J. ELIAS AND R. SHIELDS *page 527*

Effect of gastrin on gastric mucosal cell proliferation in man O. HART HANSEN, T. PEDERSEN, J. K. LARSEN, AND J. F. REHFELD *page 536*

Gastric emptying in control subjects and patients with duodenal ulcer before and after vagotomy P. J. HOWLETT, H. J. SHEINER, D. C. BARBER, A. S. WARD, C. A. PEREZ-AVILA, AND H. L. DUTHIE *page 542*

Gastric morphology and serum gastrin levels in pernicious anaemia K. J. LEWIN, F. DOWLING, JILL P. WRIGHT, AND K. B. TAYLOR *page 551*

Tissue demonstration of carcinoembryonic antigen (CEA) in ulcerative colitis P. ISAACSON *page 561*

British Society for Digestive Endoscopy *page 568*

Notes and activities *page 570*
