SHIRLEY McGEALEY
(Technical Editor)

Gut publishes original papers and reviews concerned with practice and research in the field of gastroenterology. The field is that of alimentary, hepatic, or pancreatic disease, and papers may cover the medical, surgical, radiological, or historical aspects. They may also deal with the basic sciences concerned with the alimentary tract, including experimental work. A case report will be accepted only if it deals with a clinical problem which has been studied in detail and the resulting data provide material for further research.

COMMUNICATIONS Two copies of papers and figures should be addressed to the Editor, *Gut*, BMA House, Tavistock Square, London WC1H 9JR. Papers are accepted only on the written understanding, signed by all authors, that they are not published elsewhere without previous sanction of the Editorial Committee, and that all authors agree to publication in *Gut*. Manuscripts should follow the Vancouver conventions (see *Br Med J* 1979; 1: 532-5. *Gut* 1979; 20: 651-2). They should be in double-spaced typewriting on one side of the paper only. On the paper the name of the author should appear with initials (or distinguishing first name) only, and the name and address of the hospital or laboratory where the work was performed. A short summary should be provided at the beginning of the paper.

ACKNOWLEDGEMENT OF MANUSCRIPTS Manuscripts will not be acknowledged unless a stamped addressed postcard or international reply coupon is enclosed.

ILLUSTRATIONS *Photographs* Unmounted photographs on glossy paper should be provided. *Diagrams* These will usually be reduced to 2½ in wide. Lettering should be in either Letraset or stencil, and care should be taken that lettering and symbols are of comparable size. Illustrations should not be inserted in the text, they should be marked on the back with Figure numbers, title of paper, and name of author. All photographs, graphs, and diagrams should be referred to as Figures and should be numbered consecutively in the text in Arabic numerals. The legends for illustrations should be typed on a separate sheet. *Tables* Tables should be numbered consecutively in the text in Arabic numerals and each typed on a separate sheet.

ETHICS Ethical considerations will be taken into account in the assessment of papers (see the Medical Research Council's publications on the ethics of human experimentation, and the World Medical Association's code of ethics, known as the Declaration of Helsinki (see *Br Med J* 1964; 2:177)).

SI UNITS All measurements except blood pressure are expressed in SI units. In the text they should be followed by traditional units in parentheses. In tables and illustrations value are given in SI units, but a conversion factor must be supplied. For general guidance on the

International System of Units and some useful conversion factors, see *The SI for the Health Professions* (WHO, 1977). **NB: Such conversion is the responsibility of the author.**

REFERENCES These follow the Vancouver system - that is, references numbered consecutively in the text and listed numerically with titles abbreviated in the style of *Index Medicus, Standard journal article* - (list all authors when six or less; when seven or more, list first three and add *et al*): James A, Joyce B, Harvey T. Effect of long-term cimetidine. *Gut* 1979; 20: 123-4. **NB: Accurate punctuation is essential.**

CORRECTIONS other than printers' errors may be charged to the author.

REPRINTS Twenty-five reprints will be supplied free of charge. Further reprints will be available on payment of the necessary costs; the number of reprints required should be sent to the Publishing Manager on the form provided with the proof.

NOTICE TO ADVERTISERS Application for advertisement space and for rates should be addressed to the Advertisement Manager, *Gut*, BMA House, Tavistock Square, London WC1H 9JR.

NOTICE TO SUBSCRIBERS *Gut* is published monthly. The annual subscription rates are available on request to the Subscription Manager, *Gut*, BMA House, Tavistock Square, London WC1H 9JR. Orders can also be placed with any leading subscription agent or bookseller. (For the convenience of readers in the USA subscription orders, with or without payment, can also be sent to: *British Medical Journal*, Box 560B, Kennebunkport, Maine 04046. All enquiries, however, must be addressed to the Publisher in London.) All enquiries regarding Air Mail rates and single copies already published should be addressed to the Publisher in London.

COPYRIGHT © 1983 *Gut*. This publication is copyright under the Berne Convention and the International Copyright Convention. All rights reserved. Apart from any relaxations permitted under national copyright laws, no part of the publication may be reproduced, stored in a retrieval system or transmitted in any form or by any means without the prior permission of the copyright owners. Permission is not, however, required to copy abstracts of papers or articles on condition that a full reference to the source is shown. Multiple copying of the contents of the publication without permission is always illegal.

**The British Council
International Medical Course**

Inflammatory Bowel Disease

16–28 September 1984 in Birmingham

The aim of this course is to review the current knowledge, recent advances and practical management of inflammatory bowel diseases. The course will open with a review of the aetiology of inflammatory bowel disease followed by a discussion of the pathophysiology and differential diagnosis. Recent developments in the medical, nutritional and surgical management of Crohn's disease and specific inflammatory bowel diseases will also be included.

The Directors of Studies will be MR J ALEXANDER-WILLIAMS, Consultant Surgeon and DR R N ALLAN, Consultant Physician, at the General Hospital in Birmingham; and MR M R B KEIGHLEY, Reader in Surgery in the University of Birmingham.

The course is intended for physicians and surgeons with some years' experience in gastroenterology.

There are vacancies for 35 members.

Fee £645 (Residential).

Residential course members will be accommodated at an hotel in Birmingham.

Further information and application forms can be obtained from your local overseas representative of THE BRITISH COUNCIL or from COURSES DEPARTMENT, THE BRITISH COUNCIL, 65 Davies Street, London W1Y 2AA.

**The British Council
International Medical Course**

Paediatric Gastroenterology

17-29 March 1985 in Birmingham

This course will cover a wide range of topics in paediatric gastroenterology and recent advances in both theoretical and practical knowledge will be highlighted. Considerable time will be allowed for course members to participate actively in several parts of the course. There will be opportunities to present to fellow course members interesting clinical problems, X-rays and histological specimens from their own experience, and to discuss personal research projects.

The Directors of Studies will be PROFESSOR A S McNEISH, Professor of Paediatrics and Child Health in the University of Birmingham, DR P J MILLA, Senior Lecturer in Paediatrics, Institute of Child Health, University of London and DR C A HUGHES, Senior Lecturer in Paediatrics and Child Health, University of Birmingham.

The course content will be of interest and relevance to clinicians, both medical and surgical, to developmental biologists and to basic scientists whose field of interest is gastrointestinal pathophysiology.

There are vacancies for 30 members.

Fee £745 (Residential).

The course will be held at the Institute of Child Health, University of Birmingham. Course members will be accommodated at University of Aston Management Centre.

Further information and application forms can be obtained from your local overseas representative of THE BRITISH COUNCIL or from COURSES DEPARTMENT, THE BRITISH COUNCIL, 65 Davies Street, London W1Y 2AA.
