Correction

We regret an error occurred in Figure 1 of the paper by Massarrat, Enschai and Pittner entitled 'Increased gastric secretory capacity in smokers without gastrointestinal lesions' in the April 1986 issue p. 433, and the correct version is printed below:

![Graph showing data for men and women smokers and non-smokers for BAO and PAO with p-values indicated.](http://gut.bmj.com/first-published-as-10.1136/gut.27.8.994-on-1-august-1986-downloadable-from-http://gut.bmj.com/)
