

# Gut

Journal of the British Society of Gastroenterology  
which is a registered charity

*Gut* publishes original papers, short rapid communications, leading articles, and reviews concerned with all aspects of the scientific basis of diseases of the alimentary tract, liver, and pancreas. Case reports will only be accepted if of exceptional merit. Letters related to articles published in *Gut* or with topics of general professional interest are welcomed. Authors should include the names and addresses of four experts whom the authors consider suitable to peer review their work.

**COMMUNICATIONS** Two copies of the manuscript and figures should be addressed to the Editor, *Gut*, BMA House, Tavistock Square, London WC1H 9JR, UK. Manuscripts should follow the Vancouver conventions (see *BMJ* 1979; i: 532-5. *Gut* 1979; 20: 651-2). They should be in double spaced typewriting on one side of the paper only. The title page should include the name of the author with initials or distinguishing first name only, and the name and address of the hospital or laboratory where the work was performed. **The paper must include a precise summary of the work of less than 200 words, which should be divided into six sections headed background, aims, patients (or subjects), methods, results, and conclusions. Keywords (maximum six) should be included.** Use of abbreviation is discouraged. Short rapid communications should not be more than 10 double spaced A4 pages including references, tables, and figures. These papers will be subject to peer review in the normal way. The interval from acceptance to publication will be much shorter. A covering letter should include a request for the paper to be considered in this category with valid reasons for that request. A separate covering letter signed by all authors must state that the data have not been published elsewhere in whole or in part and that all authors agree to publication in *Gut*. Previous publication in abstract form must be disclosed in a footnote. Papers must not be published elsewhere without prior permission of the Editorial Committee. If requested, authors shall produce the data upon which the manuscript is based for examination by the editor.

**ACKNOWLEDGEMENT OF MANUSCRIPTS** Manuscripts will only be acknowledged if an addressed postcard is enclosed.

**ILLUSTRATIONS Photographs** Unmounted photographs on glossy paper should be provided. Illustrations should not be inserted in the text but marked on the back with the figure numbers, title of paper and name of author. All photographs, graphs, diagrams should be referred to as figures and should be numbered consecutively in the text in Arabic numerals. The legends for illustrations should be typed on a separate sheet.

**ETHICS** Ethical aspects will be considered in the assessment of papers (see the Medical Research Council's publications on the ethics of human experimentation, and the World Medical Association's code of ethics, known as the Declaration of Helsinki (see *BMJ* 1964; ii: 177)).

**SI UNITS** All measurements except blood pressure are expressed in SI units. In tables and illustrations values

are given in SI units. For general guidance on the International System of Units and some useful conversion factors, see *The SI for Health Professions* (WHO, 1977). **NB: Such conversion is the responsibility of the author.**

**REFERENCES** These follow the Vancouver system - that is, references numbered consecutively in the text and listed numerically with journal titles abbreviated in the style of *Index Medicus, Standard journal article*. List up to six authors, then add *et al*.

**CORRECTIONS** other than printers' errors may be charged to the author.

**REPRINTS** Reprints will be available on payment of the necessary costs; the number of reprints required should be sent to the Publishing Manager on the form provided with the proof.

**NOTICE TO ADVERTISERS** All applications for advertisement space and rates should be addressed to the Advertisement Manager, *Gut*, BMA House, Tavistock Square, London WC1H 9JR.

**NOTICE TO SUBSCRIBERS** *Gut* is published monthly. The annual subscription rates are £191.00 (USA \$309.00). Reduced subscriptions of £79.00 available to trainees for one year (direct only). Orders should be sent to the Subscription Manager, *Gut*, BMA House, Tavistock Square, London WC1H 9JR. Orders can also be placed with any leading subscription agent or bookseller.
