Guidelines for Authors and Reviewers

Full instructions are available online at <http://gut.bmj.com/ifora>. Articles must be submitted electronically <http://submit-gut.bmj.com>. Authors retain copyright but are required to grant Gut an exclusive licence to publish <http://gut.bmj.com/ifora/licence.dtl>

Aims and Scope: *Gut* is a leading international journal in gastroenterology and hepatology with an established reputation for publishing first class clinical research of the alimentary tract, the liver, biliary tree and pancreas likely to impact on clinical practice within the foreseeable future. *Gut* delivers up-to-date, authoritative, clinically oriented coverage of all areas in gastroenterology. Regular features include articles by leading authorities, commentaries on published papers, recent advances in basic science and clinical practice, images illustrating important clinical messages (GI snapshots) and letters. The Journal has an authoritative global Editorial Board and a growing international readership.

GUT Online Archive

The full back archive of Gut is now available from 1960 at www.gutjnl.com. Users have FREE access to all articles, older than 12 months*, right back to Volume 1, Issue 1. The online archives were digitised with the help of the US National Library of Medicine.

Personal subscribers must sign in to access this content. Users not covered by an institutional or personal subscription will have to complete a one-time registration that grants access to all archive content, across all our titles.

*Articles that are 12 months old or less require a subscription to access them.
