Guidelines for Authors and Reviewers

Full instructions are available online at <http://gut.bmj.com/pages/authors>. Articles must be submitted electronically <http://mc.manuscriptcentral.com/gut>. Authors retain copyright but are required to grant Gut an exclusive licence to publish (<http://gut.bmj.com/pages/authors/>).

Aims and Scope: *Gut* is a leading international journal in gastroenterology and hepatology with an established reputation for publishing first class clinical research of the alimentary tract, the liver, biliary tree and pancreas likely to impact on clinical practice within the foreseeable future. *Gut* delivers up-to-date, authoritative, clinically oriented coverage of all areas in gastroenterology. Regular features include articles by leading authorities, commentaries on published papers, recent advances in basic science and clinical practice, images illustrating important clinical messages (GI snapshots) and letters. The Journal has an authoritative global Editorial Board and a growing international readership.
